

# Join us for the 2008 French Creek Sojourn!

June 4th and 5th 2008

French Creek, one of the most ecologically diverse stream ecosystems in the northeastern United States, is rich with scenic views, as well as natural and cultural history. Over two days and one evening the 2008 French Creek Sojourn will take paddlers on a journey through the heart of this amazing watershed. We will start in historic Cambridge Springs and paddle almost 30 miles over a two day period. During this time sojourners will be able to relax while enjoying peaceful time on the creek, camping, music, and good company. If you would like to experience one of the true wonders of Pennsylvania join us June 4<sup>th</sup> and 5<sup>th</sup> on French Creek!! Registration is limited to the first 25 participants. Bring your own kayak or canoe. Call 814-763-5269 for more information.

- Experience French Creek first hand by canoe or kayak!
- Learn about French Creek natural and cultural history!
- Enjoy good food, company, and camping!
